City and School Elections Saturday At High School

Voters will have to select two of the three candidates to the Hamlin Independent School District board of trustees Saturday in the only contested local election. City voters will select a mayor and three councilmen in an uncontested election to be held at the same time.

Both the city and school elections will be held at the high school building between 8 a.m. and 7 p.m. Saturday. Sam Mack Hodges, Lewis Earl Madden and Clyde

Lewis are running for the two places on the school board. Madden and Lewis are seeking re-election while Hodges is seeking his first term on the board.

In the city election, Robert Fowler is seeking the office of Mayor and Richard Young

Jr., Luther Haight and Pat Willoughby are running for places on the council.

Fowler, who is currently serving on the council, is seeking the position now held by Joe E. Ford who did not seek re-election. Fowler will resign his position as coun-

cilman if elected. The council will then name someone to fill the unexpired term.

Young and Haight are seeking two-year terms on the council while Willoughby is seeking a one-year term. Young is running for re-election while Haight will be seeking the place currently held by David Casey who did not file for re-election.

Willoughby is running for the position he was recently appointed to on the council. He was appointed to the council to take the place of A. E. Killion who resigned when he moved out of the city limits. Willoughby's appointment was until the next election and then had to stand for re-election for the remaining year on the term.

Singing Convention In Anson Saturday, Sunday

The 84th annual Jones County Singing Convention will be held this weekend in the Anson high school auditorium. The convention will be held Saturday evening and all day Sunday.

All singers and lovers of Gospel music are invited to attend this annual affair. The Brown Quartet from Fort Worth will be back again and along with the Newman's from Santa Anna, according to Oleta Hodnett, a member of the planning committee.

Singers are also expected from Lubbock, Stephenville, Eastland, Coleman and Brownwood, along with local talent, she said.

"In years past it was 'dinner on the grounds,' but time has changed that," Mrs. Hodnett said. The youth of the North Side Baptist Church of Anson will have drinks on Saturday night and sandwiches and drinks on Sunday.

Ray McCarty of Hawley is president of the organization and Nan Tidwell of Anson and Mary Hagler of Stamford serve with Mrs. Hodnett on the planning committee.

The public is invited to attend both sessions.

McCaulley Students Set Chili Supper

The Junior and Senior class of McCaulley High School will sponsor a chili supper in the cafeteria Thursday (today) from 6:00 to 7:30 p.m. The plates will be \$1.25 for adults and 75 cents for children under twelve.

The first and second grades will have a puppet show in the McCaulley gym at 7:30 p.m. Following the puppet show, high school students will put on a one-act play. The tickets will be 75 cents for adults and fifty cents for children under twelve.

Tickets for the chili supper may be purchased from any member of the junior or senior class or may be bought at the door.

Area Democrats Set Workshop Today At K-City

Charles W. Stenholm, co-chairman of the Region 8 Affirmative Action and Voter Participation Committee of the Texas Democratic Party of Texas, announced that a workshop seminar will be held today (Thursday) at 7 p.m. The meeting will be held at the Knox City Country Club.

Topics for the seminar will be the new presidential primary, new rules as related to precinct and county conventions, precinct organization, the new voter registration law, and the use of campaign volunteers.

Stenholm stated that all Democrats will be welcome and there will be no charge for the seminar.

Little League Sets Meeting Tonight

Little league parents and interested boys and girls are invited to attend a Little League meeting Thursday at 7:30 p.m. in the high school cafeteria.

Clarice Server, player agent, urges all those involved in the baseball program to attend.

The Stephens County 4-H Horse Club of Breckenridge has announced April 17 as the date for their Open Horse Show.

CANCER CONTROL MONTH—Hamlin Mayor Joe E. Ford proclaims April as Cancer Control Month in Hamlin. Looking on is Mrs. John C. Bryant, Crusade chairman for Jones County. A door-to-door educational and fund-raising Cancer Crusade will be held here Tuesday evening with Mrs. Othel Sipe serving as local chairman. The Crusade will include three divisions, business, residential and memorial. The goal for Jones County is \$5,500.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

Local voters will be facing three elections between now and Tuesday and while only one of them is a contested race, your vote is needed in all of them.

The city and school elections for the council and board of trustees will be held Saturday at the high school building and the hospital election for directors will be held Tuesday at the city hall.

The school election is the only one with a contested race with three men seeking the two places on the board.

Every registered voter needs to take the time to vote in each of the elections that he or she is qualified to vote in. Not only do you need to vote in the contested election but also in the other two.

Even those who are running unopposed need your support and encouragement.

In any election where the vote is very light there is always the possibility of problems developing.

Take a few minutes from your schedule both Saturday and Tuesday and exercise the most important right that you have been given as a citizen of this country.

April 1-7 has been designated as Texas Industry Week by Governor Dolph Briscoe and while it would be nice if we had a big new industry to honor during this special week we still have a great deal to be thankful for.

The Industrial Foundation has still not been able to land that big new industry that they have been working on for some time now but if you will look around you will see that Hamlin is blessed with a great many industries, both large and small ones.

Of course our major one is Celotex and when you add the trucking industry located here as a by-product of the area wallboard manufactures it makes a sizeable contribution to the area's economy.

The oil and gas industry makes a very big contribution to the area's payroll with a number of firms located here as part of this.

Another major industrial field that makes a significant impact on the area economy is the agricultural related industries. Topping this field in the area would have to be Moore Elevator and Pied Piper Mills but they are joined by many others, including the area gins and compress.

The Texas Industrial Commission reports that in 1975 nearly 200 major new industries set up shop in Texas and almost 300 expanded. If this trend continues during 1976, this could be our year to land that new industry we have

Door to Door Drive For Cancer Tuesday

Mayor Joe Ford has proclaimed April as Cancer Control Month in Hamlin and urged support of the American Cancer Society's Crusade goal of \$5,500.00 for Jones County to fight cancer. The educational and fund-raising Cancer Crusade will be launched Tuesday, April 6. The state goal is \$5,000,000.

In signing the proclamation, Mayor Ford said, "Cancer is the common foe of every man, woman and child, and will strike 32,500 Texans this year. . . eight will be citizens of Hamlin."

Governor Dolph Briscoe signed a similar proclamation earlier this month designating April as Cancer Control Month in Texas. Governor Briscoe urged all citizens to "observe, participate and support the American Cancer Society's educational and fund-raising efforts."

Participating in Cancer Control Month in Hamlin will be more than a hundred volunteers of the American

Cancer Society. These volunteers will visit homes throughout Hamlin and distribute educational pamphlets with life saving information.

Mrs. John C. Bryant heads this year's drive as Crusade Chairman of Jones County. Local Chairmen assisting in the Crusade are: Mrs. Othel Sipe, Hamlin; Mrs. George Brown, Anson; Mrs. Dixie Bennett, Lueders; Mrs. Dewey Rister, Avoca; Mrs. Edmund J. Womack, Hawley; Mrs. Bill Pritchard, Tuxedo; Mrs. J. W. Cagle, Ft. Phantom Lake; and Mrs. B. B. Gay, Stamford.

Mrs. Bryant said, "This year's Crusade will include three groups; business and employees, residential, and memorial. We believe that we can surpass the goal of \$5,500 set for Jones County."

In last year's Cancer Crusade, Jones County residents contributed \$5,465.91 with Hamlin giving \$1854.51.

Garage Sale Planned for Project Alert

Local Citizen Band radio operators are planning a huge three-day garage sale here April 8, 9 and 10 to raise funds for a CB radio to be used by the Hamlin Police Department for Project Alert.

CB'ers taking part in Project Alert, a county-wide emergency service program, are being asked to report any emergency, crimes, accidents, drunk drivers, citizens in distress and any other hazards on Channel 9.

Funds are needed to purchase a CB radio for the local police department to enable them to monitor local calls. The Jones County Sheriff's department is currently monitoring this emergency channel from 8 a.m. until midnight, seven days a week, but a local unit is needed to handle calls from the Hamlin area.

The sale will be held in the two buildings next to Bryant Insurance Agency on South Central. Anyone interested in donating either merchandise or money to the project may contact Frances Bray at 576-2748.

The American Cancer Society awarded research grants totalling more than \$28 million last year to more than 125 institutions in the United States and to scientists working here and abroad.

Hospital District Election Tuesday For 3 Directors

Registered voters residing within the Hamlin Hospital District will elect three board of directors here Tuesday. The election will be held in the Hamlin city hall annex between 8 a.m. and 7 p.m.

Three candidates are seeking re-election in the uncontested election. Seeking two-year terms to the board are John C. Bryant, Joe Hudspeth and Bill Harbert.

Riding Club Sets Meeting Tuesday

Hamlin Riding Club will meet Tuesday at 7:30 p.m. at Sweetwater Savings and Loan Building.

This is to be an important meeting and members or anyone with animals staying at the arena are urged to attend. The club will vote on new laws and regulations regarding animals that may be kept at the arena, according to Don Bell, president.

Trophies Presented to FFA Volleyball Winners Saturday

Trophies were presented to the winners of the five divisions of the annual Future Farmers of America Volleyball Tournament here Saturday evening.

J. E. Nix Attends Federal Land Bank Meet In Houston

J. E. Nix of Jones County, has just returned from Houston where he represented the Federal Land Bank Association of Haskell at the annual stockholders meeting of the Federal Land Bank of Houston. The meeting was attended by members of 66 Federal Land Bank Associations in Texas. There were about 550 persons in attendance.

George Cunningham, president, in his annual report to stockholders, reported that the demand for new loans declined from the previous two years; however, 1975 was still the third largest year in the bank's history and also the third consecutive year that loan closings had exceeded \$200 million.

Dr. Phil Gramm, economist on leave of absence from Texas A & M University and B. K. Johnson, a prominent South Texas rancher and director of the King Ranch Corporation, also addressed stockholders and guests during the meeting.

Members of the Board of Directors of the Federal Land Bank Association of Haskell are O. G. Lewis, president, E. H. Burnett, Weldon Walker, Ernest Beck Jr., Ralph Howe, and Nix. Others attending the meeting from this area were Ernest Beck Jr. and Joe Harper, Association manager.

Both pasture land and crop land qualify for a Federal Land Bank loan if properly managed. Remember that the Land Bank Association located right in your area is familiar with local conditions and local needs — and will do everything possible to provide a long-term loan at reasonable cost.

We can provide sound financing to fit your sound management.

TEXAS PRESS ASSOCIATION

AUSTIN — Pressure is on Gov. Dolph Briscoe to call a special legislative session in an effort to get relief from rising gas and electric bills.

Electric cooperatives and legislators publicly have urged emergency action.

Briscoe said he is keeping an open mind on the subject and would consider special session action if presented a program that might accomplish anything — and which could pass.

Most proposals advanced to date have centered on outlaying fuel adjustment allowances which permit gas companies to pass along costs of their supplies to customers regardless of long-term contracts.

Others have included repeal of the sales tax on gas and electricity and reforming the occupation tax on gas production.

House Speaker Bill Clayton called a two-day workshop session for April 1-2 on legislation to shift more of the gas production tax to out-of-state users.

Clayton estimated Texas consumers might save \$25 million a year if the tax were shifted to a flat rate rather than percentage of price basis.

The Senate's consumer affairs sub-committee also set hearings April 12-13 on the entire range of natural gas problems including price, supply, taxation, the price pass-through and regulation.

Funds "Vanish"

Millions of dollars in Duval County funds have "simply vanished," Comptroller Bob Bullock said in a new audit report on the stormy South Texas county. Bullock said Duval faces financial crisis, is "going broke" and cannot meet its August 1 payroll at current spending levels.

Highlights of the report included an account of an "unknown depositor" who walked off with a quarter million dollars in public funds with no accounting.

Bullock also said Duval County Conservation and Reclamation District has collected \$11 million in revenue and has only \$1.6 million in improvements and fees to show for it. He said the county ignores millions of dollars in tax delinquencies and has "excused" major taxpayers of hundreds of thousands of dollars in taxes.

Study Ordered

The State Welfare Department is seeking an outside opinion on how it can improve its \$1 billion-a-year operations.

The Welfare Board April 15 will consider a proposal to hire a national management consultant firm to take on the job.

Top state officials recently told agency heads they should review their financial needs and find new ways to improve their productivity.

Completion of the evaluation would be expected early in 1977.

Courts Speak

Texas Supreme Court declined to prohibit questioning of law officers about a tipster whose confidential information led to arrest of gambler Amarillo Slim Preston. The court further refused to order dismissal of three charges against Preston and another.

The Court of Criminal Appeals reversed a life sentence of a Tarrant County man for aggravated robbery, due to improper reading of a parole law to the jury.

The Supreme Court took under review lower court rulings that rejected a \$375,000 libel suit against Laredo Newspapers Inc.

AG Opinions

Atty. Gen. John Hill, in his 123rd opinion dealing with the open records law, said names and addresses of police officers are not necessarily confidential. He earlier held identity of undercover agents is excepted from the act.

In other recent opinions, Hill concluded:

—Irrigation potential may be considered in determining tax value of land.

—A county may compensate retiring employees for a portion of sick leave accrued but not taken.

—A deposition taken in a Securities Board investigatory proceeding is confidential.

—Hutto Independent School District is limited to a \$1.50 tax rate for both maintenance and bonds.

Appointments

Gov. Briscoe appointed 23rd District Judge Thurman M. Gupton of West Colombia to succeed retiring Court of Criminal Appeals Judge W.A. Morrison for the rest of the year.

Danny Burger has been named executive director of the Municipal Advisory Council of Texas, succeeding W.E. Tinsley.

Briscoe reappointed Dr. Warren Travis White of Dallas to the state board of trustees, Teacher Retirement

LETTER TO EDITOR

Scout Council Expresses Thanks

To the Editor:

The West Texas Girl Scout Council would like to use this medium to commend all the people of Hamlin for their outstanding support to the Girl Scouts through their very successful United Way Campaign. Not only do the local units benefit directly from the results of the fund-raising efforts, but also indirectly through improved services from their council organization.

The six active troops in Hamlin and their enthusiastic leaders are a source of pride to the town and to the council and serve as a model for other areas in West Texas. These ladies and girls draw much support from their townspeople in money, time, and materials. One group pays the utilities at the Scout Hut; another provides the

site for the day camp; many more donate materials, space, and labor for specific projects. And all of you lent your hand through the United Way.

We want you to know that all your efforts are known and appreciated by the larger organization of the Girl Scouts of West Texas Council. We pledge continued and improved service to the Girl Scouts of Hamlin.

Sincerely yours,
Peggy Sturrock

Cotton Growers Annual Meeting Set In Stamford

Rolling Plains Economic Program (cotton) and the annual meeting of Rolling Plains Cotton Growers, Inc. will be held Friday at the Stamford Country Club beginning at 9:30 a.m.

A noon luncheon will be served.

Featured speakers will be Macon Edwards on National Legislation, Dr. Ray Frisbee on Pest Management, Norman Brintz, an economic report, Dr. Luther Bird on New Cotton Varieties in the Pipe-line. Also annual reports will be given.

All members of RPCG, Inc. and persons interested in the R-PEP progress are invited to attend.

Pecan Trees

Home gardeners should use care in planting and training pecan trees, emphasizes Kirby Clayton, county agent with the Texas Agricultural Extension Service.

After purchasing the tree, plant it as soon as possible in a well-drained, full-sun location. Trim all bruised or broken roots at planting time. Plant the tree at the same depth as it grew in the nursery row. Do not fertilize pecans at planting time or at any time during the first growing season.

"The worst thing cancer did to me was give me a 12-inch scar that hardly anyone notices."

"It could have killed me. You see, I had Hodgkin's Disease, which is cancer of the lymph nodes — a disease that used to be almost always fatal until the tremendous advances made in cancer research over the past ten years.

"Had it not been for these advances, I probably wouldn't be here today.

"I'm just one of millions who are alive and leading completely active lives, thanks to cancer research. To save millions more, the American Cancer Society needs millions more.

Aging Subcommittee Outlines Work Schedule

The Jones County Aging Subcommittee has drawn up a schedule of recommendations for the 1976-77 plans of work to be carried out through the Extension program according to Neco Wilburn and Kirby Clayton,

Mrs. Cassle Hosts Xi Gamma Pi

Xi Gamma Phi chapter of Beta Sigma Phi met at 4 Thursday afternoon in the home of Mrs. Arlie Cassle with Mrs. James Harrison, president, presiding.

Mrs. C. Weldon Griggs, chairman, of the service committee, reported that cacti were needed as a donation from members for the park which is the citywide Bicentennial project. A donation of money was also approved by the club. Joan Boaz presented the program, "A Woman Chooses" and "Never Underestimate the Power of A Woman" from the study "Heritage and the Woman."

"What women are good at, the world needs more of and what women are good at is the business of heart, compassion, service, caring, insight, and 'soul temperature control.' Women can motivate or subdue, melt or cool as the need may arise," she quoted.

Quoting from Eugenia Price, she said, "I stand in awe of my own sex. Not because we are such a magnificent lot, but because God has placed such breathtaking responsibility on our hands...human lives..."

Others present were Mmes. L. C. Bonds, John C. Bryant, Leldon Clifton, W. T. Johnson, Howard Mehaffey, M. L. Smith, Jerry Waggoner, Jack Willingham, Gerald Young Cecil Sellers and a guest, Teola Simpson.

Bridge Winners

Mrs. W. L. Hunter and Mrs. W. O. Wilbanks tied for first place with Mrs. J. D. Viridine and Carl Schoultz in a special club championship game of the Hamlin Duplicate Bridge Club Tuesday evening.

Winning second place were Mrs. G. W. Comegys and Mrs. H. E. Neas of Abilene; third place winners were Mrs. Thomas McMillin and Jerry Mark of Abilene, and fourth place went to Bobby Graham and Q. Johnston, of Abilene.

county Extension agents. The recommendations presented included: —Updating the aging subcommittee to get a better representation of the county population.

—Carry out special programs during the month of May, such as the older Texas Banquet, Special Recreation and possibly a Sale Day.

—Plan and carry out special recreation through the year such as Pot Luck Supper in the parks, games, special singings and a Special Recreation Day at Lueders.

The aging subcommittee is trying very hard to plan programs that would benefit the Older Texans of Jones County, Mrs. Wilburn said.

Rebekah Class Monthly Social Held Mar. 24

Rebekah Sunday School Class of First Baptist Church met Wednesday, March 24, at 2:30 p.m. in the Fellowship Hall for the monthly social.

Mrs. Travis Hubbard, outreach leader, presided. The opening prayer was given by Mrs. Carl Meyner.

After refreshments, Mrs. Joe Simpson gave the devotional on "analyzing our problems and duties as a Christian."

Group singing, led by Mrs. Edd Rodgers with Mrs. Britt Baker as pianist, was followed by class members each saying a prayer for the coming revival.

Others attending were Mmes. Oran Taylor, Carl Young, D. O. Waymire, Ruby Perryman, Debbie Harrell, Fred Rosenbaum, Mae Young and J. C. Lain.

Hostesses were Mmes. Hubbard, Harrell and Perryman.

Art Club To Host 3-Day Workshop Here

Hamlin Art Club will present Sherwood Suter, art professor at McMurry College in Abilene, in a three-day workshop in oil and water colors, at Art Studio and Gallery.

Classes will begin April 6 at 6:30 p.m.

FOOD MARKETING ALERT

USDA

Agricultural Marketing Service

As of mid-March, the supply situation in April is expected to look like this:

RED MEATS—

Beef . . . plentiful. Production 10-12% above April '75 and about 15% greater than 1973-75 average. Continued increases in fed beef output will account for bulk of gains.

Pork . . . adequate. April production to move upward seasonally, but will average 8-10% under 3-year average.

POULTRY & EGGS—

Broiler-fryers . . . plentiful. Record April marketings—about 8% more than in April 1975 and 14% above the April 1973-75 average.

Turkey . . . adequate. New crop marketings likely near record large for the month, some 18% above a year earlier and one-fifth more than 1973-75 average. April 1 cold storage holdings down about 40% from a year earlier and one-third less than the 3-year average. Supplies, heavily influenced by shrunken inventories, are estimated about 1/4 less than in April 1975.

Eggs . . . adequate. Production should be near year-earlier, but under 3-year average.

MILK & DAIRY PRODUCTS—

Milk & dairy products . . . adequate. Milk production has been above a year earlier and the 3-year average for the past 5 months including Feb. should provide additional supplies for manufacturing. Jan. butter output dipped 3.1% from a year earlier. American cheese output in Jan. topped both the yearly and 3-year average levels for the third consecutive month. Nonfat dry milk production continued to run below both yearly and 3-year average levels for Jan. At the close of Jan., commercial butter stocks had dropped to a record low—83% under

Terminology used: PLENTIFUL—More than enough for requirements. ADEQUATE—Enough to meet needs.

LIGHT—Less than adequate; not enough for normal needs.

the 3-year average. Commercial inventories of American cheese were 7.4% under the 3-year average. Manufacturers' stocks of nonfat dry milk at end of Jan. were far below '75, but in line with 1973-74.

FRUITS, VEGETABLES, NUTS
Fresh apples . . . plentiful. Jan. 31 cold storage holdings 25% larger than a year earlier and 37% more than the latest 3-season average.

Fresh pears . . . plentiful. Cold storage stocks (mainly D'Anjou) Jan. 31 9% greater than year earlier and 35% larger than the most recent 3-season average.

Fresh citrus and juices . . . plentiful. U.S. Orange production 3% below last season, but 2% ahead of the past 3-season average. A record large grapefruit crop is forecast—up 14% from last season and 9% bigger than the most recent 3-season average. Florida frozen concentrated orange juice stocks Feb. 28 were 15% above year earlier; 28% more than past 3-season average.

Canned non-citrus fruits . . . plentiful. Jan. 1 inventories of most canned fruits up considerably. Compared with a year earlier, Jan. 1 holdings showed the following increases: canned peaches, up 25%; canned pears, 6%; canned fruit cocktail, 11%; canned purple plums, 83%; canned apricots, up 263% from 1974-75's very short supply.

Raisins . . . plentiful, with 1975 crop about 18% larger than the heavy 1974 output. **Dried prunes** . . . plentiful, as 1975 production was about 6% higher than in 1974.

Processed vegetables . . . plentiful. Feb. 1 canners' inventories of 3 principal canned vegetables—snap beans,

sweet corn, and green peas—were 29% higher than year-earlier aggregate and 37% above the 1973-75 average.

Frozen vegetable holdings Jan. 31 about equal to those of a year earlier, but 14% above the most recent 3-year average. Stocks of frozen snap beans, sweet corn, and green peas topped 1973-75 averages by 13%, 31%, and 41%, respectively. **Frozen potatoes** . . . plentiful—down 5% from Jan. 31, but 2% above the 1973-75 average.

Fresh potatoes . . . adequate. Mar. 1 stocks 5% less than the year-earlier record and 11% above 1973-75 average. **Dry onions** . . . plentiful. Texas' new spring crop is forecast at 49% ahead of last spring's moderate output.

GRAINS & LEGUMES—

Peanuts . . . plentiful. Commercial stocks Jan. 31 were 11% higher than a year earlier and the '75 crop was record high by 5%. **Almonds** . . . plentiful. Output in 1975 was 16% under 1974's, but remains the second highest crop of record. **Walnuts** . . . plentiful, with 1975's record crop topping 1974's by about 25%. **Pecans** . . . plentiful. Production in 1975 68% larger than 1974's small crop.

Rice . . . plentiful. Record high '75 crop was 14% above the 1974 output and 32% greater than 1972-74 average. **Dry beans** . . . plentiful, because of heavier production of some varieties despite overall crop reduction of 15% from 1974 output and 6% under 1972-74 average. **Dry peas** . . . plentiful, due to heavy 1974 crop carryover and decreased exports.

Wheat . . . plentiful. Carry-over stocks for this marketing year are projected about 4% above last year and 42% larger than the most recent 3-year average.

Corn . . . plentiful for food use. Expect larger exports but lower domestic use.

Phebean Class Meeting Held Here Thursday

The Phebean Sunday School Class of First Baptist Church met in the home of Mrs. C. R. Crowley for a regular monthly meeting Thursday at 3 p.m.

Mrs. Zelma Perryman, outreach president, presided over the business meeting. Opening prayer was given by the teacher, Mrs. J. A. George. Mrs. Lillian Green presented the program on prayer.

Mrs. Crowley and Mrs. H. H. McDonald served as hostesses.

Refreshments of cake, punch and coffee were served to Mmes. George, Noel Weaver, Leona Carter, Billye Goodman, Perryman, Tom Gregory, Mary Holmes, Flossie Ferrell, Green, A. G. Miller, George Waincott, Crowley and McDonald.

Ruth Class Meeting Held

Ruth Sunday School Class of Central Baptist Church met Tuesday for their regular monthly meeting in the home of Mr. L. H. Clark who presided over the business meeting.

Mrs. F. T. Wallace opened

the meeting with a prayer and reports were made by the committees. A devotional on the 23rd Psalm was presented by Mrs. Clark. Mrs. Eddie B. Hopper gave the Bible quiz and a missionary offering was collected.

A sunshine box for Mrs. Grace Money, class teacher, was prepared.

the
gospel truth
 by Bro. Marshall Townsley

"What shall we then say to these things? If God be for us, who can be against us? Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? Nay, in all these things we are more than conquerors through him that loved us. For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord." Romans 8:31, 35, 37-39

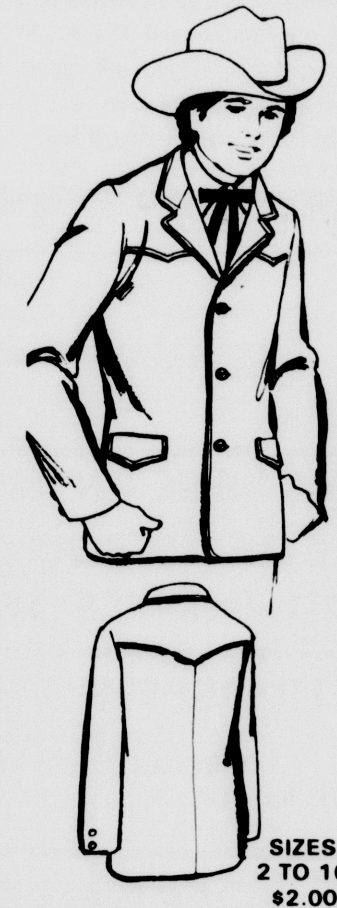

Yes, through the complete work of Christ we, as born again believers, have been reconciled back to God forevermore, never to be separated again from his presence and love. This is the work called righteousness. In Christ, all sin past, present, and future is paid for and no longer causes God to turn his face from us in anger. God speaking as the Lord thy Redeemer says, "In a little wrath I hid my face from thee for a moment; but with everlasting kindness will I have mercy on thee. For this is as the waters of Noah unto me: for as I have sworn that the waters of Noah should no more go over the earth; so have I sworn that I would not be wroth with thee, nor rebuke thee." Isaiah 54: 8, 9 "But God commendeth his love toward us, in that, while we were yet sinners, Christ

died for us. Much more then, being now justified by his blood, we shall be saved from wrath through him." Romans 5:8, 9.

Yet we need to see that sin is still deadly. Romans 6:12, 16 says, "Let not sin therefore reign in your mortal body, that ye should obey it in the lusts thereof. Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness?" The results of sin are still death. When we sin we become the servants of Satan even though we are still members of the household of God. God has not turned his back on us! His love remains constant. He is not mad. "My little children, these things write I unto you, that ye sin not. And if any man sin we have an advocate with the Father, Jesus Christ the righteous." I John 2:1 "If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness." I John 1:9 These scriptures were written to Christians to maintain their fellowship with God.

God waits for you with open arms if you've been in the clutches of Satan and sin. Confess or agree with him that you've been wrong and He will cleanse you from all guilt and condemnation. Woe unto him that tries to separate us from the love of God.

FROM THE FILES . . .

FIFTY YEARS AGO

(March 26, 1926)
If one wishes to see some real progress, take a peep at South Hamlin. Right now there are two very substantial residences being built. They are J. R. Bull's and S. R. Camfield's. From indications every feature of these homes are modern. The first street to the east of Central Avenue is fast becoming one of the best built streets in Hamlin. There are many features about this locality that make it a good part of town in which to live. If the progressive citizens of that side of town will begin to light up their streets, it would induce the same on our longer residence streets, in the rest of Hamlin.

On Wednesday of last week some "smart" fellows seemed to think everybody in Hamlin was asleep. But Carl Young and W. R. Smith don't sleep so sound as not to hear burglars breaking into the filling station. But before they could get out there, the cash register was taken and the car was "hiking" out. A quick alarm was given the officers and drag nets were set all over the country. It was found that the Middleton station had been molested, just a lock broken. But the Smith station (now Mr. Forrest Boyd's) had gas and oil and the "money box" taken.

A party of three or four young men were captured near Spur and it was found that a casing belong to Russell Boyd was in their possession. It was also found that they were driving a car that ius said to have been taken in Corsicana. This is all according to reports.

Mr. Boyd bought the Smith Station just a day or two early, or Mr. Smith sold it just in time.

Last Saturday night about one inch of rain fell, then a few days of pretty warm sunshine and Wednesday night for two hours before nine o'clock it poured again. A rest of an hour or so and still more fell. So now the great flat broke fields of this country are reeking in moisture. So you see we really have had a "million dollar" rain, yes, sir-ee! When this good old country has a rain in March like we got this week, she's sitting on a barrel of money. Probably never before has this section had its farms in such a good shape. Don't get excited, for we will need many more such rains before next September. It looks like we will get them. Sure does.

TWENTY YEARS AGO

(March 29, 1956)
D. W. (Wood) Cowan was named works manager of the Celotex Corporation plant at Hamlin last week, the appointment being effective immediately. He succeeds Ted. E. Armstrong, who will go to the Chicago, Illinois, offices of the concern in a management capacity.

Cowan has been superintendent of the board at the Hamlin plant for several years. He is succeeded in this capacity by Lewis E. Madden.

Both Cowan and Madden have been long time employees of the concern, having been connected with the predecessor company, the old Texas Cement Company plant, which was purchased by Celotex in 1940. Cowan became associated with the plant in 1935, and Madden began his service in 1936.

Little interest was being manifested by people of the Hamlin section in two elections scheduled for next week that will elect a mayor and three councilmen for the City of Hamlin and two trustees for the Hamlin Consolidated Independent School District.

On the city ballot for Tuesday's election for re-election are the names of Mayor Willard Jones and Aldermen L. E. (Gene) Prewit, B. O. Bell and W. S. Seals. All four men are serving their first term of two years on the City Council. They have no opponents in the ballot.

Despite the fact that much of the wheat in the Hamlin area is suffering from lack of rains, the chances are still fairly good for a good wheat crop provided moisture comes within the next two or three weeks.

This was the opinion of several wheat growers whom a Herald representative contacted first of the week.

Because the winter rainfall was below normal, pasturing of the wheat fields during the winter and early spring has not been general, but many farmers have grazed the areas some during most of the season.

Key school personnel were re-elected at the last regular meeting of the school board of the Hamlin Consolidated Independent School District, it was announced this week. These included principals for all five of the schools of the district.

Superintendent C. F. Cook was given an three-year contract last fall. Those named in the recent meeting were given one-year contracts.

Re-elected were: B. V. Newberry, high school principal; Marvin D. Carlton Jr.,

junior high school principal; Odean Murphree, elementary school principal; Mrs. Fred Smith, primary school principal; E. S. Morgan, DePriest school principal; T. C. Blankinship, vocational agriculture instructor; Truman Nix, head athletic coach; Jess Parrish, band director.

TEN YEARS AGO

(March 31, 1966)
Four men will be seeking two positions on the Hamlin school board when voters go to the polls at City Hall Tuesday, April 5. Candidates are Edward Gardner, Bill Davis, both seeking reelection, Guy L. Weaver and E. C. (Bill) Feagan Jr.

Mayor Hollis Madden is seeking reelection as mayor and has no opposition. Gardner and Davis were first elected to the Council in 1964.

The polls will open at 8 a.m. to 6 p.m. A. A. Wade will be the judge, Mrs. Arlie Cassle, assistant judge, and Mrs. C. C. Prater, clerk.

Cliff W. Drummond, son of Mr. and Mrs. G. W. Drummond, was elected president of the Students' Association of the University of Texas.

He was graduated from Hamlin High School in 1961. A senior pharmacy major, Drummond has served in various organizations. Last summer he was an exchange student to Chile.

Resident of the Neinda area decided Tuesday night to organize under the name "The Neinda Water Supply Corporation" and to seek to buy water from Hamlin for distribution to members of the cooperative.

By the end of the Tuesday night meeting in the community center 185 shares of stock at \$55 per share had been sold with a total of 200 shares expected to be bought by the deadline of April 15. Fred Decker of the Abilene engineering firm of Yeatts & Decker said members expect to pay about \$8 per month for 3,000 gallons of water and 70 cents per thousand gallons above that.

NEWS AND VIEWS . . .

And What Have You

— Continued from page One

been working on for so long.

But lets not forget to count the many blessing that we already have in our haste to land a new one.

The day of reckoning is here for this state's highway system. Texans have always been proud of their 71,000 mile highway system that is among the best in the world but unless some drastic changes are made soon this could only be a memory of the past.

The Texas Highway Department (now known as the Texas Department of Highways and Public Transportation) has been hit by that same villain that is hurting all of us — inflation. At the present time sufficient state and federal funds are in sight over the next 20 years to construct only 17 percent of the present backlog of projects and accomplish only one-eighth of the construction that was possible at past funding levels.

At the same time that inflation has racked the highway system, some of the funds the department had received in the past have been diverted to other programs.

The Texas gasoline tax of five cents per gallon is the lowest in the nation and has not been raised in 21 years.

None of us are interested in more taxes but some means must be found to protect our investment in our highway system and to keep expanding it. In spite of all the talk about public transportation, Texas still operates on its highways and we suspect that it will continue to do so for generations to come.

This will be one of the major problems facing the next session of the Legislature, along with public school financing.

I am Thankful... for good health, and for the food that I have each day. I am thankful for those near and dear to me that I can love, and in turn love me. I am thankful for the freedom of my nation, and that I can worship as I please. I am thankful that God loved me so much, that he provided a way for my salvation. I am thankful that he is a forgiving Father. I am thankful that I can attend Church and worship my Lord

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

TO ANGELO FRIDAY— Track Team Takes Third In Olney Meet

The Hamlin boys Track Team will make their annual trip to the San Angelo Relays this weekend with the running prelims starting Friday at 1 p.m. The field events will get underway at 1 on

Inducted Into Order of Arrow

Russell Cary, Eagle Scout and son of Mr. and Mrs. James Josey, was recently inducted into the Order of the Arrow of the Boy Scouts of America during an OA meeting in Abilene.

The Order of the Arrow is an honorary campers' society. To become eligible Russell was chosen by his fellow scouts in Hamlin and identified and nominated last summer at Camp Tonkawa. He passed his ordeal two weeks ago at the Chisholm Trail Council headquarters in Abilene.

Russell joins Edwin Wheat as the second OA member in Hamlin Troop 143. Other adult members include James O. Murphree, Floyd Smith, Byron Swank and Samuel Ferguson.

Saturday and the running finals will start at 1:30.

The local team, coached by Bill Grissom, took third place in the Olney Cub Relays Saturday with 89 points. Breckenridge took the meet with 119 points and Seymour placed second with 114 points.

The Pipers took first place in three events in the meet with the 440-yard relay team of Stan Jones, Mac Lee, Robert Pharris and Delbert Thompson running a 44.4, Lee ran the 100 in 10.6 for first place and Pharris cleared 12' for first in the pole vault.

Hamlin High School Happenings

(Compiled each week by the HHS Journalism Class)

Seventeen Hamlin High students will travel to Coahoma Saturday to participate in the University Interscholastic League District Literary Contest.

The group, accompanied by Principal B. V. Newberry, and teachers Dora Mitchell, Jerry Bodine and Bruce Wilson, will leave Hamlin at 6:30 that morning and return that evening after the all-day competition.

Winners at Coahoma become eligible to compete in the regional meet set for Odessa April 28-May 1.

In the journalism events Larry Griffin is entered in editorial writing, Dawn Patterson in news writing and Dereta Weaver and Debbie Hargrove in feature writing.

Edwin Wheat, Jeff Cary and Mike Hymer will compete in number sense, while Vance Lakey and Carl Shearer will participate in slide rule and Guy Turner in science.

Shorthand entrants are Debi Cary and Tammie Harris or Debra Hollis.

Typists entered include Sherry Carter, Lisa Howard, Olivia Marshall and Cindy White.

Tammie Harris will compete in the ready writing contest.

The eighth grade girls track team, coached by Brenda Ratliff, captured fifth place among 22 teams at Knox City March 25.

The sprint relay team of Donna Bell, Teresa McMillen, Barbara Johnson and Geneva Shelton ran the 440 yard relay in 53.6 for first and the 880 yard relay in 1:57.7 for third.

Shelton also won the 220 yard dash in 27.7, while Barbara Gipson finished sixth in 30.3.

Leona Johnston placed sixth in the 60 yard dash with a time of 8.0.

The 1320 yard relay consisting of Debra Spalding, Laurie Willingham, Bell and

McMillen finished the scoring with a fifth place time of 3:24.4.

At the same meet the eighth grade boys, led by Coach Larry Bartee, placed in four events in its 21-team field.

The 440 yard relay team of Odus Willis, Todd Marshall, Keith Alexander and Tommy Allen took third in 50.5. Willis placed third in the 220 yard dash and broad jump with a time of 26.7 and a distance of 17-1½ respectively. The same four boys then teamed up for a sixth place finish in the 1320 yard relay.

Hamlin's boys' and girls' tennis teams hosted a dual meet Tuesday with Knox City and O'Brien.

The boys' team, coached by Dennis Anderson, includes Kyle Jackson, Edwin Wheat, Terry Mink, Harold Pruitt, Andy Contreras and Raymond Jordan.

Coach Ratliff's girls include Stacy Bell, Stephanie Hymer, Julie Willingham, Deborah Brown, Kayla Mehaffey, Patrice Moore, Debi Cary, Elaine Carlton, Lisa Howard, Debra Hollis, Jamie Crowley and Leeia Pharris.

Next Tuesday and Wednesday the two teams enter district competition in Sweetwater.

The District 6-AA golf meet is slated for Robert Lee Monday.

Hamlin's entrees include Lynn Davis, Tim Dechairo, Joe Smith, Ricky Goodgame and Mike Hymer in team competition and Tracy Asher and Mitch Wilson in medalist play.

12 Local Students Display Work At Regional Art Fair

Great-Grandson Shows Best of Breed At Ardmore

Jay Dennis, son of Mr. and Mrs. Joel Dennis of Paradise, showed a New Zealand White junior doe judged best of breed out of 120 rabbits at Ardmore, Okla. He is the great-grandson of Mrs. Edgar Smith of Hamlin and the grandson of Mr. and Mrs. Irvin Smith of Haskell.

Jay is currently second nationwide in the American Federation of New Zealand Breeders Association youth sweepstakes. He is also third in the Texas Rabbit Breeders Association in the open class sweepstakes for Texas.

Scouts, Cubs To Take Part In Scout-O-Rama

Hamlin Boy Scouts and Cub Scouts will be taking part in a Scout-O-Rama in Stamford Saturday in the Lions Club Building on the city square. The time will be from 3 to 6 p.m.

Scout Troops and Cub Scout Packs representing approximately 1500 Scouts will show off their skills to the public Saturday in Abilene and Stamford.

The location in Stamford will include units from Jones, Haskell and Stonewall Counties.

The colorful demonstrations, based on the Bicentennial theme, will feature action and not just displays.

Local scouts are busy selling tickets to earn money for their local units and also for scholarships to summer camp and Cub day camp. The tickets sell for \$1.00 and everyone under 18 year of age will be admitted free.

Girls Track Team Is Second At Ballinger

The Hamlin Girls Track Team, coached by Bettye Davis, took second place in the Ballinger Girls Track Meet Friday with a total of 94 points. Breckenridge won the Division II title with 122 points.

The girls will compete at Stamford Saturday with the field events starting at 9 a.m., the prelims in the running events at 11 and the finals in the running events starting at 2.

Hamlin took first place in both the 440-yard relay and the 80-yard hurdles. The relay team of Elizabeth Hooper, Barbera Hooper, Mary Ruth Brown and Doris White ran a 52.5. Stacy Bell ran the 80-yard hurdles in 11.6 for first place.

Hamlin results:

High jump: (2) Verna Jo Thompson 5', (4) Brown.

Long jump: (6) B. Hooper.

Triple Jump: (2) B. Hooper, (6) E. Hooper.

AUTOMATIC MONTHLY IRA SAVINGS

...will help you TAKE CARE OF YOURSELF

Let's face it. Social Security will not be adequate when you retire. So, take care of yourself by starting a tax-deferred automatic IRA savings account. Here's how it works. Decide how much you want to set aside each month for your retirement (up to 15% of your income not to exceed \$1500 annually). With your authorization, Sweetwater Savings will automatically draft your checking account in that amount each month. Your monthly deposits to your IRA savings account earns more money immediately while awaiting your retirement. At the end of the year, your savings are already working for you and you can deduct the amount saved from your income for tax purposes. It's a simple, easy way to take care of yourself.

State Offers Attractive Bicentennial Alternatives

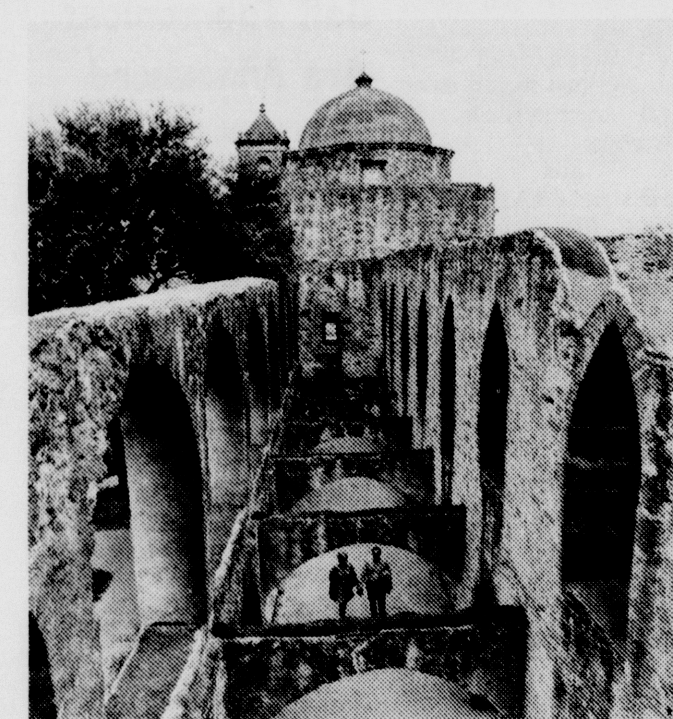

Tourists Discover Texas History

According to preliminary calculations, over 20 million people visited Texas in 1975. They came from contiguous states, from Mexico, from the Midwest, and from every part of the United States. They stayed longer than ever and spent more—a total of \$2.6 billion, placing the Lone Star State fourth nationally in tourist revenue, right behind California, Florida and New York.

This year with heritage a key concern to American vacationers, Texas expects an even greater number of visitors, despite Bicentennial competition from the original Thirteen States. The reason, according to key figures in the Texas tourist industry, is that Texas offers well-preserved historical sites that are as old and colorful as those along the Eastern seaboard. For example, El Paso's Mission Corpus Christi de la Isleta dates from 1681, and the city of San Antonio was founded by Spanish colonists in 1731.

Visitors to Texas can enjoy a full range of American history, from colonial days to the present. They can drive down roads first blazed by famous explorers like LaSalle and Coronado. They can explore frontier forts and tour plantations that bring back the days of the Old South. They can even go through NASA headquarters. Thanks to the efforts of local Bicentennial committees, tourists can explore the restored Oblate Mission at Mission, Texas, on the Rio Grande river. They can stroll the Bicentennial Bayou Trail near Houston. Or they can enjoy the Spanish colonial architecture in La Villita, the section of San Antonio that predates the time when Texas joined the United States.

Texas offers a lot for visitors to do when they aren't rediscovering portions of America's heritage. Mountains, desert, seashore, lakes and forest offer numerous recreational opportunities, as well as pleasant scenery.

And many tourists enjoy the bargains and nightlife along the Mexican border.

Throughout the state, food and accommodations are priced considerably below those of similar quality in more established vacation areas.

Visitors who return to the state consistently remark that one of its most attractive features is the friendly, courteous attitude of the people. They say that they find a warm welcome everywhere they go.

As Frank Hildebrand, executive director of the Texas Tourist Development Agency, explains, "Texans have a 300-year heritage of hospitality, and they do their best to convince every visitor that it's still alive today."

Combined with the other attributes of the Lone Star State, that traditional hospitality must be working. In the 11 years since Texas began seriously promoting its tourist industry, it's moved up from the bottom third in visitor revenue to number four. And the indicators point to an even brighter future.

Mrs. C. T. Pierce and his mother, Mrs. Adeline Letz. Mrs. Eugene Gerloff of Lubbock was here last Sunday visiting Mrs. Katie Gerloff. Other recent visitors in Mrs. Gerloff's home included Jackie Gerloff of Lamesa, Mr. and Mrs. Raymond Gerloff of Abilene, Mr. and Mrs. Byron Swank of Hamlin.

Beno Hertenberger is ill and is a patient in Stonewall Memorial Hospital in Aspermont.

Visitors in the home of Mr. and Mrs. Morris Garner last week were their granddaughters, Jana and Julie Garner, accompanied by a friend Connie Bandy of Abilene. Sunday Loy Garner was also here and the girls returned home with him.

Derrall Dunman and Elaine Huffard of Abilene were dinner guests in the home of Mr. and Mrs. A. R. Sawyers Sunday.

A group of Old Glory 4-H's won the first place honors at the County 4-H Talent show last Saturday night by presenting a musical skit "I Am a Citizen." This qualified them to participate in District Contests at Wichita Falls on May 8.

4-H's in the skit were Sherry Rhoads, Kara Jones, Elise Cox, Regina Gibson, Denise Pierce, Sherri Alvis, Shelly Dunham, Jamie Wolsch, and Tom Lee Rhoads was the narrator.

Philosopher Admits He Can't Understand The Point of the Presidential Primaries

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One seems puzzled about all the Presidential primaries. He may not be alone.

Dear Editor:
I don't know about you, but I don't understand Presidential Preference primaries, the things the newspapers and television networks are reporting every week as though they were professional football games leading to the Super Bowl.

In the first place, they're supposed to be selecting delegates to the two national nominating conventions, but in at least one state it's just a popularity contest, with no delegates actually going to the candidates. In lots of other states about half the delegates selected are uncommitted; they can go to the convention and vote for just anybody, a choice they sometimes have.

Or take New Hampshire, whose primary is held in January, the first in the country. Although the state hasn't got as much population as a lot of cities, its Presidential primary

attracts nation-wide attention, some people say nation-wide significance, because it's the first one held. New Hampshire is so proud of the honor that it has a law saying its primary will be held one week ahead of any other state's primary, regardless of when that happens. Thus if say Idaho wanted to try to be first and set its primary in December, New Hampshire's would be held perhaps in November. If enough states entered into the joke, this could go on until New Hampshire was holding its primary four years before the next Presidential election, meaning of course that candidates would have to announce four years in advance. This might prove to be an advantage to the voters, because where's the candidate who could stand four years of being investigated by the newspapers? The ideal situation for some candidates would be to announce only one week before the election. How much could you find out about them in that short a time?

By the way, I heard a politician say once more the other day when he was asked a question he didn't want to

answer: "I'll cross that bridge when I come to it." I have observed however that when politicians do come to that bridge, most of them veer and go downstream hunting for a place they can cross without being noticed. Yours faithfully, J.A.

Will Rogers Says . . .

"I have always maintained that the office of the President should be for six years, with no re-election. It's not right that a President should have to 'lectioneer' and work on his next campaign. It's not fair to him. He is naturally human and going to use every legitimate means of staying in office, so that takes up too much of his valuable time. He owes the nation that time. He don't owe it to his political henchmen that will stay in with him." October 2, 1932.

CB Radios Excluded From Standard Auto Policies

"Break one-nine. Pin pen, this here's the Rubber Duck. . . come on." So go the lyrics from a popular record which glorifies one of America's newest fads—citizens band (CB) radios.

Nowhere is the fad more popular than in Texas where an estimated 206,000 CB operators chatter away on the 23 channels authorized by the Federal Communications Commission for citizen broadcasts.

As the popularity of the CB radio has increased, there has been a corresponding increase in theft of CB equipment.

During 1975, more than half a million dollars worth of CB radios were stolen in Dallas alone, and during one seven month period there were 1,638 reported CB thefts.

Houston law enforcement officials say they average 20 to 30 reports of stolen CB's each day. In Corpus Christi, the number of reports of CB thefts jumped dramatically when a local car dealer started advertising that he would give away free radios with the purchase of a new car.

Apparently no one is exempt. A Fort Worth Assistant District Attorney

had his CB radio stolen, as did the mayor pro tem of San Antonio, Secretary of State Mark White, and Texas Insurance Commissioner Joe Hawkins.

The problem became so severe last year that the State Board of Insurance excluded CB radios from the standard comprehensive coverage portion of an automobile policy. (This exclusion also applies to two-way mobile radios or telephones, including accessories, equipment and antennas.)

If CB's had been left under that coverage, "there is no telling what it would have done to comprehensive rates," a board official recently told members of the Texas House Insurance Committee. "We may have saved a major comprehensive rate increase," he said.

While some CB owners object to having to pay additional premiums, insurance industry representatives say it is not right for the non-CB owner to face higher rates because of the CB boom.

The new ruling, which applies only to policies sold after January 1, means that unless the vehicle owner purchases coverage specifically for his CB, it will not be protected on his insurance policy.

Equipment valued up to \$750 may be insured for \$17 per year. For \$751-\$1,500 in coverage, it would cost \$27. For equipment worth more than \$1,500, it is \$53. Rates are set by the State Board of Insurance, which will review them periodically when there is additional statistical evidence.

These coverages may also be purchased under a different line of insurance, though the rates are generally higher.

Portable units that are moved from one car to another can be insured by a separate policy. Even if the radio is not insured, any damage done directly to an

automobile by a thief comes under the standard comprehensive coverage of the policy.

A "hit" a thief takes less time than it took for the owner of the CB to make the first payment. Typically, a thief goes to a large public function such as a basketball game looking for cars in the parking lot which sport a CB antenna.

It might take 2½ minutes to open a locked car. Once in the car, the thief uses a bolt cutter and screw driver to remove the unit. At home the serial number, which is often pasted on, will be removed and the unit sold to a "fence."

The Texas Automobile Insurance Service Office says there are several ways to protect your property.

—First, record the serial number and date and place of purchase of CB equipment and keep the information with other valuables.

—Second, use an electric engraving tool or any sharp object to inscribe some identifying mark (such as a social security or driver's license number (on the back of the radio. Also, scratch your initials in some secret corner of the unit. The only way the police can return a stolen unit to you is if you are able to identify it properly.

—Third, if you park your car in a public place, remove the antenna and unit (if possible) and lock them in the trunk or take them with you.

—Fourth, buy CB equipment only from a franchised or reputable dealer. If it can be proved that you knew a unit was stolen when you bought it, you can be convicted as an accessory to the crime.

Funeral Services Held Friday for Mrs. Riddle, 82

Services for Leslie Lillian Riddle, 82, who died Wednesday, Mar. 24, in Hamlin Memorial Hospital, were held at 4 p.m. Friday in the First Baptist Church.

The Rev. Howard Jones, pastor, and the Rev. Marshall Stewart, pastor of the Nazarene Church, officiated. Burial was in Hamlin Cemetery.

Born July 28, 1893, in Georgia, she married Ralph Riddle Dec. 23, 1914, in Hamlin. She came to Hamlin from Valley Mills on the MKT Railroad. The couple were married sitting in a buggy at the Katy depot. Survivors include her husband; two sons, Kenneth of Hamlin, and J. C. of Stamford; four daughters, Mrs. K. E. (Doris) Morrison of Abilene, Mrs. J. B. (Eloise) Terrell of Tucson, Ariz., Mrs. Robert (Marge) Fowler of Hamlin and Mrs. Dee (Shariot) Kirkland of Haskell; three sisters, Mrs. Emmett Riddle of Valley Mills and Mrs. Paul Dorris and Mrs. Bill Swafford, both of Fort Worth; two brothers, Vernon Sockwell of Valley Mills and Edgar Sockwell of Mart; 16 grandchildren and 10 great-grandchildren.

A daughter, Floradene Glenn, died in 1972.

Services Held for Former Resident, Claude L. Scott

Claude L. Scott, 77, of Garden City, formerly of Hamlin, died Friday, March 26. Services were held Saturday in Kiker-Seale Funeral Home Chapel in Colorado City with the Rev. Caddo Matthews, pastor of Plainview Baptist Church, officiating.

Burial was at 2 p.m. in West Haven Memorial Park Cemetery in Midland.

Born Feb. 16, 1899, in Morgan, Tex., he married Mamie Frances Watley Jan. 20, 1929 in Hamlin. They lived in Odessa twenty years, then moved to Garden City where they had lived ten years.

He was a retired oil field worker and a member of the Baptist Church.

Survivors include his wife; one daughter, Mrs. C. W. Smith of Colorado City; one sister, Ethel Lenard of Cisco; three brothers, J. T. of Bakersfield, Calif.; Gene of Hamlin; and Buck of Eastland; one grandson and two great-grandchildren.

Mr. and Mrs. Gene Scott and Mr. and Mrs. Melvin Scott of Hamlin attended the funeral in Colorado City.

Brother Dies

Turner Beard, 73, of Snyder brother of Mrs. Arnold Griffin of Hamlin, died at 11:10 p.m. March 15 in Cogdell Memorial Hospital in Snyder.

Funeral was held at Snyder in the funeral home chapel with The Rev. Jim Smith, pastor of Hamlin First United Methodist Church, officiating.

McCaulley Rites Held Friday for Beatrice Kemp

Services for Beatrice Cordelia Kemp, 98, of McCaulley, who died at 6:18 p.m. Wednesday, Mar. 24, at Holiday Lodge Nursing Home, were held at 2 p.m. Friday at the First Methodist Church in McCaulley.

The Rev. Jim Smith, pastor of the First United Methodist Church of Hamlin, officiated. Burial was in the McCaulley Cemetery.

Born Oct. 14, 1877, in Mississippi, she married Ben F. Kemp Sept. 7, 1898, in Sylvester. He died in 1958. A resident of this area since 1904, she was a charter member of the Methodist Church in McCaulley.

Survivors include seven sons, W. J. (Jap) of Hamlin, Frank and Fred, both of McCaulley, Guy, Rex and R. P., all of Roby and Ralph of Portales, N. M.; two daughters, Ruth Crance of Lubbock and Nita Lee of Ponder; two sisters, Velma Haag and Minnie Ward, both of Midland; 15 grandchildren; 31 great-grandchildren; and three great-great-grandchildren.

Two sons, Clyde and Frazer, and a daughter, Fay Holcomb, preceded her in death.

Grandsons were pallbearers.

Mr. and Mrs. Joe Wayne Cooper of Snyder are parents of a boy, Billy Roy, born Monday at 12:10 a.m. in Hamlin Hospital. He weighed 9 lbs. 6 oz.

The Coopers are parents of another son, Terry, age 2½. Maternal grandparents are Mr. and Mrs. Leroy Pritchard of Hamlin, and paternal grandparents are Roy Cooper of Hamlin and Edna Cooper of Big Spring. Maternal great-grandparents are Mr. and Mrs. Tom Pritchard and Mrs. J. T. Hester and paternal great-grandparents are Mr. and Mrs. Joe Stewart, all of Hamlin.

CONSUMER'S CORNER

SOUR CREAM POTATO SALAD

3 15 oz. cans Del Monte potatoes, sliced
1/3 cup Italian Dressing
3/4 cup diced celery
1/3 cup sliced green onions and tops
4 hard cooked JRB eggs
1 cup Parade Mayonnaise
1/2 cup dairy sour cream
1/3 cup diced pared cucumber
Parade salt, white pepper & garlic salt to taste

Drain potatoes and marinate in salad dressing at least two hours. Add celery, onion, chopped egg white and toss to mix. Combine mayonnaise, sour cream, and seasonings. Fold into salad. Chill salad for 2 hours. Add diced cucumber; mix.

To trim sprinkle reserved, sieved egg yolk over top. Makes about 8 servings.

NEW CONSTRUCTION NEW IDEAS

We will start approximately nine new homes soon
in the Dodson-Hill Addition in Stamford

These homes will be decorated by Nancy Denson of
Stamford Interiors, and will be built by Alden Cathey
and Vince Davis with 26 years building experience in
West Texas.

We have built in Tyler, Houston, Abilene, Brecken-
ridge, Clyde and other West Texas cities.

The new homes will be all brick, with 3 bedrooms, two
baths, and will have carpet, drapes and central
heating and cooling and will have built-in kitchens.

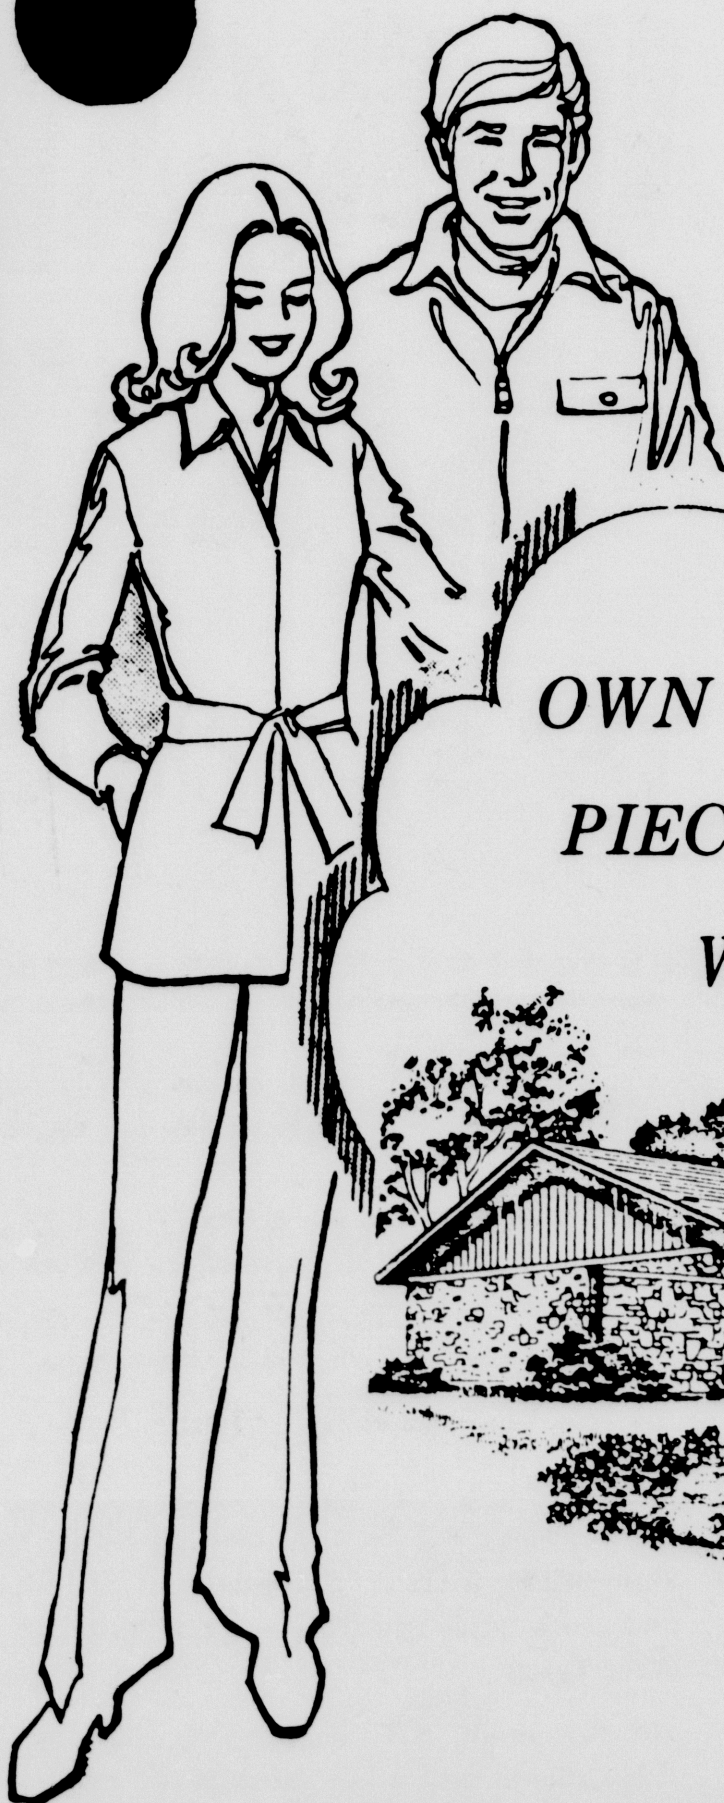

CALL AND ASK ABOUT OUR ENERGY PACKAGE
Have you noticed your utility bills are a "little"
higher lately? We have the answer.

SALES WILL BE HANDLED BY NANCY DENSON
